NATIONAL SEMINAR CUM WORKSHOP
FOR STUDENTS

ON

“INDIAN PETROLEUM RESOURCES AND
PETROLEUM INDUSTRY,
PRESENT SCENARIO AND FUTURE PROSPECTS”

(27th – 29th, DECEMBER, 2011)

Organised by

DELTA STUDIES INSTITUTE

Andhra University

Visakhapatnam - 530 017

Delta Studies Institute was established in 1997 with the financial assistance of ONGC and OIDB in Andhra University. The Institute undertakes R&D projects, training programmes, consultancy works with main emphasis on petroleum science and technology. It also offers M.Tech. course in Petroleum Exploration. To inspire young students of petroleum science and technology to take up challenging positions in petroleum industry, the Delta Studies Institute has planned to organise a National Seminar cum Workshop for students on "Indian Petroleum Resources And Petroleum Industry, Present Scenario And Future Prospects" (PETRO FEST - 2011)" from December 27-29, 2011.

All the postgraduate students in earth sciences and graduate & postgraduate students in Chemical, Mechanical, Petroleum Engineering, Petroleum Exploration, Petroleum Geosciences and related fields are eligible. Students appearing for final semester / year examinations including young research scholars/fellows working in relevant fields are eligible for participation in the seminar. Depending upon the availability of funds, travel allowance limited to sleeper class by train can be offered to few needy participants.

OBJECTIVES OF THE SEMINAR

The main objectives of the seminar:

To provide a platform for young students of petroleum science and technology to come together and interact among themselves and with experts to exchange information and have an opportunity to know the state of the art science and technology in petroleum scenario. To provide an opportunity to these budding petroleum professionals to exhibit their technical and scientific knowledge in the form of paper presentations.

THEMES OF THE SEMINAR

Petroliferous basins of India
Recent developments in Petroleum Exploration
Advances in Petroleum Production
Indian Petroleum Industry
Petroleum Resources of India
Non Conventional Energy Resources
Oil Industry and the Environment & Related Topics.

EXPERT LECTURES

It is planned to organise expert lectures by distinguished scientists, industrialists and academicians of the field on various state of the art developments in the field of petroleum science and technology for the benefit of young participants.

Professionals wish to give expert lecture can indicate their willingness

INTERACTION SESSION

An interactive session is arranged between students and experts to discuss the future opportunities in the oil field. HR Departments of several oil industries are expected to take part in the discussions to assess the capabilities of student delegates for future recruitment in their organizations.

ABSTRACTS AND FULL PAPERS

Abstracts not exceeding 500 words on any topic related to the themes of the Seminar should be sent to the Convener on or before 20th November, 2011. Accepted abstracts will be published in the pre-conference Abstracts volume and will be made available to registered delegates.

Papers and Expert Lectures presented at the Seminar shall be considered for publication after scrutiny and refereeing by subject experts. The delegates are advised to submit the full paper(s) in the format of the ONGC Bulletin before 10th December, 2011.

REGISTRATION

The delegates are requested to register themselves in advance. They may send their registration fee as mentioned below before 30th November, 2011 through crossed Demand Draft in favour of "CONVENER, PETRO FEST - 2011", Delta Studies Institute, Andhra University, Sivajipalem, Visakhapatnam – 530 017, Andhra Pradesh, India.

Student delegates from Universities Rs. 300/-
(Registration is waived for deserving students upon request)

Young Research Scholars/ fellows
from University & Research Institutes Rs. 1000/-

ABOUT VISAKHAPATNAM / WEATHER

Visakhapatnam is located on the East Coast of India. It is well connected to important cities in India by Air, Rail and Road. The diurnal temperature variations during December would be between 20 and 28°C. Normal clothing is sufficient.

THE VENUE

The Seminar cum Workshop will be held in the Delta Studies Institute, Andhra University, Visakhapatnam.

ACCOMMODATION

Only limited accommodation is available at the University Guest Houses. For those who wish to stay in the hotels, accommodation in various categories of hotels starting from Rs. 200/day / person is available. The delegates are advised to make their reservation in advance. The organizers can undertake to make reservation, provided, they indicate the tariff range and the type of rooms like Single, Double, Deluxe etc. of their choice.

IMPORTANT DATES

Receipt of Abstract	-	20 th Nov., 2011
Acceptance of Abstract	-	30 th Nov., 2011
Receipt of Registration and Accommodation Form	-	30 th Nov., 2011

SPONSORSHIP / CO-SPONSORSHIP

Central and State Governments, Earth Science Organisations, Academic Societies, R & D Financial Institutions, Exploration & Mining Organisations and Industries etc. are invited to sponsor the National Seminar cum Workshop 2011. The support received from the sponsoring agencies shall be duly acknowledged and published in the Seminar volume.
