

Submission of Papers

1. Full-length papers in IEEE format should be sent (within the dead line of the submission of paper) as attach file to psaco2008@yahoo.co.in
2. High standards are to be ensured in all contributed papers and the competent reviewers will review all papers. Based on the comments of the reviewers, the organizers will decide on the acceptance of the papers.
3. On final acceptance of the paper, one soft copy (.doc file) of the full-length paper will have to be sent to the Coordinator in the prescribed format.
4. All selected papers will be included in the proceedings of the conference on registration. At least one registration for the conference is mandatory for every accepted paper.

Important Dates ^{revised}

Based on the several requests from the Authors, we are pleased to extend the submission dates as follows:

| | |
|--|---|
| Last date for submission of full Paper | : 25 th December, 2007 |
